My dear Mr. Baird:

The extremely well qualified lecturers provided by the Central Intelligence Agency in conjunction with the various courses at the Naval Intelligence School have been of great assistance in the instruction of its officer students. An important part of this instruction is the requirement that students gain an appreciation of joint task force operations and planning.

The lecture was attended by [redacted] relief, [redacted] could be made available to discuss this topic, it would be greatly appreciated. A period of two hours, commencing at 1330 on 16 May 1960 has been set aside for this purpose. The current class consists of thirty-one students with rank of lieutenant through commander. All of these officers are cleared for information up to and including Top Secret.

If this request meets with your approval CDR A. A. STEINBECK, U.S. Navy is authorized to provide liaison with your representative. Commander STEINBECK may be reached on Code 1215, Extension 440.

Sincerely,

G. S. COLEMAN
